

Routine Maintenance - 2018 Alfa Romeo Stelvio 2.0T

VIN ZASFAKPN5J7B88115 | about 142,290 km / 88,415 mi | no maintenance records in cuore yet: statuses are from the schedule alone | 2026-09-26

Item	Interval (owner's manual)	Conf.	Parts / fluid (confidence)	At about 88,415 mi (142,290 km)	After service
Engine air filter	30,000 mi / 48,000 km / 3 yr	CONFIRM.	68301538AA (CORROB.)	DUE SOON: Next mark 90,000 mi: about 1,585 mi away.	-
Cabin air filter	20,000 mi / 32,000 km / 2 yr	CONFIRM.	68444656AA (SINGLE)	CHECK: Every 20k mi / 2 yr: 80k mark passed; replace unless done in the last 2 years.	-
Spark plugs	30,000 mi / 48,000 km	CONFIRM.	NGK 90219 (ILZKR7G7G) / Mopar 68292346AA (CORROB.)	DUE SOON: Next mark 90,000 mi: about 1,585 mi away. Mileage only.	No relearn required. Do not add anti-seize unless the plug maker specifies it -- it changes effective seating torque on this aluminum head (see the spark_plug torque... torque: spark_plug
Ignition coils (inspect)	no schedule	UNKNOWN	-	CHECK: No schedule: inspect when plugs are out.	- torque: coil_pack_bolt
Engine coolant	150,000 mi / 240,000 km / 15 yr	CONFIRM.	FCA/Alfa MS.90032 (CUNA NC956-16, ASTM D3306) OAT coolant, used at 50% concentration;...; 8.8 L (CONFIRM.)	OK: First change at 150,000 mi / 15 yr.	No relearn needed. No sourced bleed procedure or drain-plug location for the 2.0T engine circuit this pass -- use the service manual (TechAuthority)
Brake fluid	2 yr	CONFIRM.	DOT 4, FCA spec MS.90039; 0.9 L (CONFIRM.)	CHECK: Every 2 years regardless of mileage: overdue unless changed since 2024-09.	Bleed all four corners plus the ABS/ESC modulator. On EPB-equipped rear calipers, put the EPB into service mode before disturbing the rear circuit -- see...
Drive (serpentine) belt	36,000 mi / 60,000 km / 4 yr	CONFIRM.	68326261AA (SINGLE)	OVERDUE: 36k mi / 4 yr: due at 36k and 72k mi (or years 4 and 8). Overdue unless replaced.	-
12V battery	10,000 mi / 16,000 km / 1 yr	CONFIRM.	Mopar BBH8A001AA (AGM, reported to cross to Group 94R) (SINGLE)	CHECK: Test charge state every year / 10k mi.	No explicit 'register battery replacement' procedure was found for this platform: a stelvioforum thread ('Register Battery Replacement') reports MES/wiTECH have no such... torque: battery_terminal, battery_hold_down
Wiper blades	1 yr	CONFIRM.	size only (CORROB.) size only (CORROB.)	CHECK: Replace about yearly.	-
Fuel filter	no schedule	CORROB.	-	OK: No serviceable filter on the US 2.0T.	-
PCV (crankcase ventilation) system	no schedule	UNKNOWN	04893610AC (SINGLE)	CHECK: No schedule: inspect on symptoms.	-
Throttle body cleaning	no schedule	UNKNOWN	-	CHECK: No schedule: clean on symptoms, then relearn.	An electronic throttle body relearn/adaptation is commonly required after cleaning or replacing the throttle body on Alfa Romeo platforms generally -- confirm the exact...
Intake / boost hoses (inspect)	no schedule	UNKNOWN	00500536260 (SINGLE)	CHECK: No schedule: inspect on underboost codes or hiss.	-
Washer fluid	600 mi / 1,000 km / 1 mo	CONFIRM.	CUNA NC 956-11, FCA spec MS.90043; usable diluted or undiluted; 4.1 L (CONFIRM.)	CHECK: Top up monthly / 600 mi.	-
A/C system / cabin service (R-1234yf)	1 yr	CONFIRM.	R-1234yf refrigerant only -- NEVER R-134a or R-12, which are incompatible with this...; 535 g (CORROB.)	CHECK: Yearly A/C check.	-
Power steering (EPS)	no schedule	CONFIRM.	-	OK: Electric steering: no fluid.	-
Hood and door hinge/latch lubrication	20,000 mi / 32,000 km / 2 yr	CONFIRM.	-	CHECK: Every 20k mi / 2 yr: lubricate hood and tailgate locks.	-

Also due from the same schedule: transfer case oil (Q4) at 80,000 mi / 128,000 km / 8 yr (CONFIRMED). The car is past it: replace unless records show it was done. Engine oil: FCA maximum 1 yr / 10,000 mi (severe duty 4,000 mi); cuore's shop interval is 8,000 mi / 12 mo. The manual lists no automatic transmission or differential oil change. Coolant 8.8 L is the engine circuit only; the intercooler has its own circuit.

Source: 2018 Alfa Romeo Stelvio US owner's manual (Mopar), Maintenance Plan and Fluids tables; parts from Mopar catalogs and forums as graded. CONFIRM. = manufacturer document; CORROB. = two independent sources; SINGLE = one source; UNKNOWN = use the FCA service manual (TechAuthority). Full detail and procedures: cuore Maintenance page and docs/reference/STELVIO_20T_MAINTENANCE_SPECS.md.
